

Innovation Talk

Thursday, September 28th 2017 / Lille

“Innovation Spirit in Medicine”

How to tackle pitfalls on the innovation path?

Speaker: Dr. Patrick JAULT

Dr. Patrick JAULT is an anesthesiologist, with an entrepreneurial mindset, trained at Lyon University, with an extensive experience in military environments (Percy Hospital), he was expert for NATO forces and deployed in Kosovo, Afghanistan and Mali. He has been specializing in emergency medicine, intensive care, burn wounds, infectious diseases. He has recently led a European project which aimed at evaluating a game changing strategy in infectious diseases.
